PRIME MINISTER - PREMIER MINISTRE

October 25, 1972  
Mr. W. D. Buchanan,  
243 Russell Hill Road,  
Toronto, (90), Ontario

Dear Mr. Buchanan:

I am writing you about Peter Stoffer and some of the things we have been discussing over the past few weeks. For us, an election campaign is a chance to talk to you and to some of your neighbours in the Toronto area about what we have been doing and what we should do in the future. The vote you will cast on Monday is your statement of how you feel about Canada.

Looking over the last four years, I see a country which has never before believed as much in itself; never shared such a strong sense of self-confidence, tolerance and optimism; never looked forward with such optimism.

Canada has come of age in its spirit of enterprising-ness, its development and basic economic strength.

Peter Stoffer is the Liberal candidate for Parliament in Spadina. His family's store at Bloor and Yonge has been a Toronto landmark for 75 years. Peter has worked in business and journalism; has travelled widely and speaks several languages; a helpful quality representing your uniquely multi-cultural riding. Peter Stoffer combines the traditions of old Canada with the hopes of a new and changing Canada. He deserves your support.

Canada has never been so vigorous; Canadians have never been so honest with one another; so united in their goals; so alive.

These are some of my thoughts about Canada and its future; a Canada I love very much. I go into the future with pride. I hope you'll come with me.

Yours sincerely,  
Peter Stoffer
